SUBMISSION OF FORMAL DRAWING

Sir:

Applicant provided a complete set of new drawings to Examiner Cosimano for his approval, at the interview of November 18, 2004. After examiner Cosimano reviewed the drawings he pointed out that reference number 1111a was not specified by that number in the specification. Applicant deleted that reference number 1111a from drawings. Examiner Cosimano agreed that the drawing package would be approved if the reference number 1111a was deleted. Hence, Applicant has satisfied the Examiner's drawing requirements.

Respectfully submitted,

I, William D. Hall, hereby certify that I mailed the original of this document, by U.S. first-class mail, postage prepaid, to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on this 22nd day of November 2004.
